

Welcome to the "Green Thumb Club"

Please fill out the membership form below and enjoy your savings!

What is the "Green Thumb Club"?

The Green Thumb Club is a program designed to provide you with a way to earn **FREE** merchandise from Random Acres. You do not need to have a green thumb to join!

As a **Green Thumb Club** member, you will receive a \$15 coupon for each \$300.00 in receipts from Random Acres. This coupon does not expire & it can be used towards anything we sell - flowers, hanging baskets, containers, fertilizers, etc.

Once you enroll in the program, you just need to provide your name upon check-out. Our computer system will keep track of your sales & after you reach \$300, a coupon will be sent to you thru the mail. It's that simple!

Bring it in or mail it back to us:
